From your child's first steps... to their graduation performance.

Cheryl's School of Dance (CSD) has built a reputation for excellence in dance instruction! CSD has a class for everyone! We specialize in beginners of all ages and offer training through pre-professional levels. Our classes are taught by caring, skilled teachers in a positive environment. We delight in your child's progress and performances! Our costumes and choreography are always age appropriate and your child's safety and wellness has always been our highest priority. Welcome to CSD!

At CSD we aim to help our students achieve excellence in **DANCE + LIFE.**

So, whether you are taking your first class or preparing for your senior year, we say, "Welcome Home!" At CSD, you are family.

CELEBRATING OUR 43RD SEASON!

Dance meets imperative student needs for community, socialization, friendship, mentors, physical activity, and more! The benefits of dance include, but are not limited to: intellectual, academic, social-emotional, and physical support.

At CSD, the **health and safety** of our students, staff, guests, and communities have always been our highest priority; a commitment that has only been heightened at this time. That's why we have used local guidelines and our national Safer Studio™ standard

We have 2 convenient ways to dance this season:

- ☆ Weekly in-studio classes
- ☆ Private lessons packages

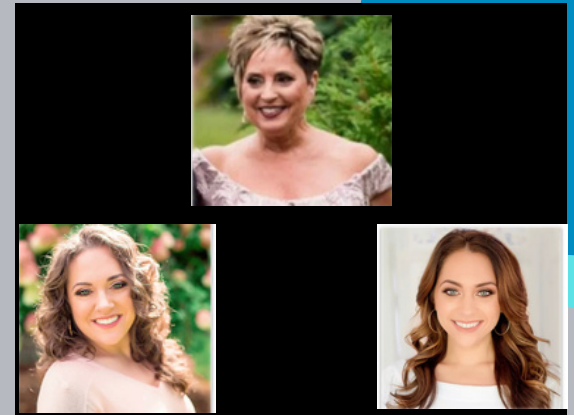

Registration is NOW OPEN! Class space limited, so enroll early.

As you look at our calendar, please note the important dates and that class times and offerings may shift as things progress. We are planning on concluding our season with a June Recital (date based on availability).

CSD focuses on a hierarchy of measures to create a Safer Studio™ environment beginning with requiring students and staff who are ill to stay home, followed by frequent hand cleaning and good hygiene practices, amplified cleaning, and making curricular and facility adaptations to minimizing contact and mingling.

Miss Cheryl started sharing her passion for dance with students 43 years ago. Now, her two daughters, Miss Gianna and Miss Natasha, share that same passion and proudly continue the legacy of CSD.

CSD is passionate about teaching life skills through the art of dance. The studio is a second home to so many CSD students and we are proud to see former students bringing the next generation of CSD dancers to classes now.
